

The Seasons

_____ is the first season of the year,
it's cold and frosty and snow is here.

In _____ the first flowers start to grow,
the sun shines warmer and melts the snow.

In _____ the children are happy and have fun,
they can swim - it's nice and hot in the sun.

_____ brings wind and lots of rain,
the leaves change colours - it's getting cold again.

What are they called - the seasons of the year?
I think you know it - there are clever children in here!

_____, _____,
_____ and _____
